Rapid Results. No Excuses.

Speed up success by stopping excuses.

Dr. Margaret Bradley — an excuse-prevention expert, business psychologist, and author of ***Wouldacouldashoulda: Rapid Results. No Excuses.*** — will tell your audience:

- How to Identify excuse-making styles
- Reasons why people make excuses
- The most important things leaders can do to create an excuse-free culture
- When an excuse can be a gift
- Examples of excuses
- How to stop excuses from slowing you down
- What to do when you hear an excuse
- Occasions when it's okay to make an excuse

Often people get caught in an excuse trap and don't even realize it. They give up on accomplishing important goals or fall behind the competition without knowing about simple steps that get rid of the excuses that hold them back. Excuse management techniques can change their lives and help them go farther faster.

Clients said: "Zim. Zam. Zoom. My team took off like a rocket after one of her workshops." and "Margaret's book made me want to dance in my pajamas."

Forbes featured an interview with her about leadership that avoids the blame game.

In her decades of consulting, Margaret R. Bradley, Ph.D., observed that her most successful clients had one thing in common. They quickly eliminated excuses. In her book, she shares ways to stop excuses and achieve big goals in record time. Her strategies have been field-tested by thousands of clients and in her own experience as a leader in Fortune 50 companies.
